

HEALTH INFORMATION PRESENTATIONS
of
William E. Haik, M.D., F. C.C.P, C.D.I.P.
AHIMA Approved ICD-10-CM/PCS Trainer

1. Multiple medical staff presentations regarding "Why and How Physicians Should be Involved in Hospital Coding"
2. September 2018, AHIMA National Convention, FY2019 CC/MCC List: Tools for Capturing Accurate Clinical Documentation and Coding
3. September 2018, AHIMA National Convention, Physician Self-Defense: A Live Presentation to Hospital-Based Physicians
4. July 2018, AHIMA CDI Summit, A Potpourri: Updated Evidenced-Based Clinical Validation Topics
5. January 25, 2018, HCPro Teleconference FY2018 CC/MCC List: Tools for Capturing Accurate Clinical Documentation
6. May 09, 2017, ACDIS National Convention, "Sepsis: 1, 2, 3 – RAC Attack! Respiratory Failure: Definition and Sequencing Guidelines"
7. October 16, 2016, AHIMA Convention, FY2017 CC/MCC List: Tool for Capturing Accurate Clinical Documentation
8. January 12, 2016, AHIMA Webinar, "Coding and Physician Self-Defense," a live presentation to the medical staff
9. May 20, 2015, ACDIS National Convention, "Coding and Physician Self-Defense: Engaging Docs in CDI"
10. January 2105, HCPro Teleconference FY2015 CC/MCC List: Clinical Indicators and Query Opportunities
11. June 2014, AHIMA, Discharge Status Codes: Risks and Rewards
12. May 2014, ACDIS National Convention, Sepsis and Malnutrition
13. November 13, 2013, HCPro Teleconference FY2014 CC/MCC Lists: Clinical Indicators and Query Opportunities
14. 2013 ACDIS Convention on Discharge Codes: Impact on the Post-Acute Care Transfer Policy – Risks and Rewards
15. January 09, 2013, HCPro teleconference: FY 2013 CC/MCC List: Recognize Clinical Indicators and Query Opportunities
16. October 04, 2012, AHIMA National Convention, "Physician Query Workshop"
17. May, 2011, AHIMA Teleconference, "Managing the Physician Query Process: AHIMA May 2010 CDI Practice Brief Review"
18. October 03, 2011, Lorman Teleconference, "Discharge Codes Impact on Post-Acute Care Transfer Policy - Risk and Awards"
19. October 2011, AHIMA National Convention, "Clinical Review of the CC/MCC Lists"
20. November 2010, ACDIS Teleconference, "Renal Failure"
21. September 2010, AHIMA National Convention, "Respiratory Issues "
22. June 2010, ACDIS National Convention, "Clinical Potpourri: A Review of Problem Diagnoses"

23. May 25, 2011, ACDIS Teleconference, "Principal Diagnosis Selection"
24. July 2009, HCPro Teleconference: "A Clinical Review of MCC/CC Lists"
25. May 2009, ACDIS CDI Seminar: Challenges in Critical Care: "Sepsis and Respiratory Failure"
26. August 2007, Alabama Quality Assurance Foundation - "Improving Physician Documentation/Query Process"
27. October 2003, National AHIMA Convention, "Dataplasty: Turning Data into Meaningful Clinical Information"
28. May 08, 2003, AHIMA Audio Seminar, "Respiratory Disorders"
29. March 21, 2002, AHIMA Audio Seminar, "Pneumonia Coding Guidelines, Practical Tools for Seminar Learning"
30. October 2001, 2001 AHIMA National Convention, "Coding and Compliance Issues Related to Complex Pneumonias and Sepsis"
31. November 30, 2000, AHIMA Audio Seminar, "Respiratory System, Practical Tools for Seminar Learning"
32. April 2000, Pennsylvania Health Information Management Association, "Tools for Accurate Chart Documentation and Physician Involvement/Coding Compliance Issues Related to Pneumonia Coding"
33. April 1999, Connecticut Hospital Association, "Documentation and Coding Compliance Issues Related to Pneumonia Coding"
34. May 1997, United States Department of Justice, "Appropriate Reporting of ICD-9-CM Code 482.89"
35. May 1995, North Carolina HIMA, "Dataplasty - Turning Data Into Information"
36. December 1993, AHIMA Conference - participation in revision of the "Certified Coding Specialist" examination
37. October 1993, AHIMA National Convention - Society for Clinical Coding – four-hour presentation concerning "Coding Issues for the Cardiovascular and Respiratory Systems"
38. March 1993, Arizona HIMA – four-hour presentation concerning "Tools for Resource Enhancement"
39. January 1992, Southeastern HIMA Convention – four- hour presentation concerning "Hospital Conflicts in Regards to DRG Optimization"
40. Multiple AHA teleconferences regarding coding quality, with the latest teleconference being presented in October 1991 on ventilator coding
41. October 1991, AHIMA National Convention, "Physician Involvement in DRGs and the Coding Process"
42. 1991 AHIMA Conference - participation in the creation of the "Certified Coding Specialist" examination
43. 1990 Alabama Quality Assurance Foundation State Meeting - "Proper DRG Optimization" and a subsequent panel discussion with HCFA's Pat Brooks, RHIA, Director of Coding Policy, and the PRO Medical Director
